

ALDER CARR LOTTERY

Don't waste your money on the Lotto!
Get better odds with the **LLANGATTOCK COMMUNITY WOODLANDS Alder Carr Lottery**
Help generate funds for woodland activities and environmental management

Llangattock Community Woodlands now runs a small lottery which has the potential to raise over £1000 for environmental measures and equipment each year.

HOW DOES IT WORK?

£4 per month buys you a lottery number - annually the numbers are entered into a draw for a chance to win a cash prize each year. Some of the money generated goes into the prize fund and the rest goes into the woodland fund. **Llangattock Community Woodlands** is run on a voluntary basis and is a charity and company limited by guarantee. All profits will be passed back to the charity.

Each year, in February three numbers will be drawn and the prizes are allocated. As an example, if 35 participants have paid in for a full year (12 months) lottery the prize fund will be £500, or proportionately depending on total funds. A small administration fee has to be paid including annual registration. If £500 is available for the winners it will be split as follows:

1 st	£350
2 nd	£100
3 rd	£ 50

Details of the winning numbers and the names of the winners will be circulated on 1 March each year.

For each £4 you pledge to pay each month you will be allocated a number. This number will be yours for as long as you wish to remain in the Lottery. (Please give one month's notice if you wish to cancel.)
